Driven by a bold vision, Nova and Viva
re-imagine personal power access
— uniting sleek design with seamless functionality.

Configurations

Nova & Viva come in Duo and Trio housing options, and suit a range of regional power outlets including AU/NZ, US, UK, German, French and Universal, as well as USB Fast-Charging up to 140W, Wireless Charging, and Engage Smart Technology integration.

Fascia Finishes

Crafted to meet the demands of modern interiors, Nova & Viva are available in four premium fascia finishes as standard. Whether your design vision calls for subtle coordination or striking contrast, these finishes provide the perfect balance of texture, tone, and visual refinement.

Nova - White Matte

Fabric Finishes

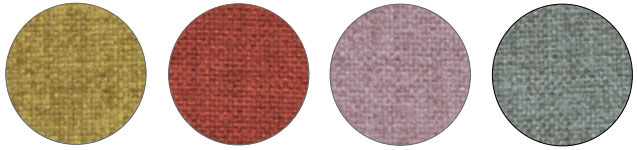

Breaking new ground, CMS Electracom is the first in the industry to integrate fabric into its manufacturing process — offering unmatched design versatility and introducing a fresh, tactile aesthetic for above-desk applications.

Standard Colours

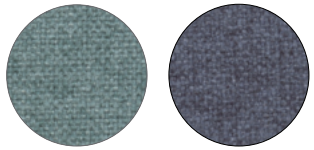

Vanilla Smoke Iron Charcoal

Additional Options

Citrus Papaya Blossom Foam

Aqua Marine

LUX Range

Premium design meets precision engineering with our LUX range, featuring stylish metal fascia that complements and elevates modern interiors.

Available for the Nova range only.

Fascia Colours Available

Brushed

Brass *(Brushed)* | Bronze *(Brushed)* | Stainless Steel *(Brushed)*

Matte

Brass *(Matte)* | Bronze *(Matte)* | Stainless Steel *(Matte)* | Black Metal *(Matte)*

Mounting Options

Nova & Viva are designed for flexible installation, with the ability to mount above or below the desk — making them ideal for a variety of application areas that demand easy access to power and charging.

Their unique clamp system includes integrated cable management, keeping cables discreetly concealed for a clean, streamlined finish.

USB Technology

We continue to lead the way in advancing workplace charging solutions, with ongoing development and integration of the latest USB technologies

Nova and Viva offers a versatile selection of USB Fast Charging outputs, delivering 30W up to an industry-leading 140W, ensuring compatibility with a wide range of devices and meeting the evolving power needs of modern workspaces.

Wireless Charger

Integrated wireless charging options are available across both Duo and Trio configurations — alongside standard Power Outlets and USB Fast Charging. For an elevated user experience, pair with our Helistand or Helipad 15W Wireless Chargers, enabling effortless, cable-free charging.
