NOVA

Above & Below Desk Power Rail Series

With its sleek and elegant design, the Nova Power Rail Series provides a sophisticated solution for powering modern workspaces. Available in duo and trio configurations, the Nova provides personal power outlets, USB A/C fast charging ports and wireless charging, ensuring devices remained powered with ease and efficiency. Its versatile design allows for mounting either above the desk or below the desk, enabling flexibility in workspace setup.

Nova also features a range of fabric options, allowing it to seamlessly blend into its environment while enhancing the aesthetics and professionalism of workspaces.

Standard Colours Available

- White/Gloss
- White/Matte
- Black/Gloss
- Black//Matte

Fabric Options

- Vanilla
- Smoke
- Iron
- Charcoal

Key Features

Minimalist Design

- Sleek and elegant finish.
- Blend your power rail with the environment through fabric wrap options.

USB-C Fast Charging

- Ultra-fast USB-C PD fast charging outlets, capable of providing up to 140W of power.
- Additional USB-A fast charging port for secondary devices.

Duo & Trio

- Like our popular Echo family, Nova is available in Duo & Trio.

Exterior Finishes

- Standard colours black and white with a Perspex/Matte like finish on the fascia.
- Nova Rails can be wrapped in fabric (Optional)

Worldwide Power

- Australia, USA, British, German and universal socket compatibility.

Works Around You

- Above-desk and below-desk mounting brackets available as standard.
- Everything you need at your fingertips, nothing you don't.

Geneva by design.

Notes:

- Above-desk and below-desk mounting brackets available as standard. Please note NDS indicates Standard Clamp option. For Under-desk bracket option, please use NDZ.
- ** Denotes Colour Configurations:
  -W1 White Gloss Fascia, White Components;
  -W2 White Matte Fascia, White Components;
  -B3 Black Gloss Fascia, Black Components
  -B4 Black Matte Fascia, Black Components;
- USB Chargers are for use with IT/AV equipment only.
- Use of cleaning agents: Please ensure cleaning agents are compatible for use on moulded polycarbonate surfaces. Should any sign of degradation, cracking or discolouration be present or occur, immediately discontinue the use of the cleaning agent.
- All Fabric Power Rails are Custom Made and Lead Times Apply.
- Avoid phone cases with a metal strip when charging your phone wirelessly as the metal strip can cause damage to your phone or the wireless charging unit.
- Our wireless chargers are for mobile phones only, other accessories including airpods & watches may not be supported.
- Table Scallop for Helistand Options: Table Scallop of 40mm Minimum Required when using Helistand & Privacy Screen to allow additional space for large phones.

Inclusion of Helistand Wireless Charger

The below diagram relates to the above desk clamp version for our Nova Duo and Trio power rails that include a Helistand Wireless Charger. When installing the power rail on a desk with a panel, please ensure a table scallop of at least 40mm is taken into account to allow additional space for larger phones to charge.
