VIVA

Above & Below Desk Power Rail Series

Combining style and functionality, the Viva Power Rail Series offers an elegant solution for powering workspaces. Available in Duo and Trio configurations, Viva offers personal power outlets, USB A/C Fast Charging Ports, and wireless charging, ensuring devices remain powered and productivity is maximised.

Designed for flexibility, the rail can be mounted above or below the desk, making it adaptable to a variety of office layouts. Its contemporary design seamlessly integrates into diverse work environments, while its streamlined functionality meets the evolving needs of today's connected and dynamic workplace.

Standard Colours Available

- White/Gloss
- Black/Gloss
- White/Matte
- Black//Matte

Key Features

Minimalist Design

- Sleek and Elegant Finish

USB-C Fast Charging

- Ultra-fast USB-C PD fast charging outlets of up to 140W.
- Additional USB-A fast charging port for secondary devices.

Duo & Trio

- Like our popular Echo family, Viva is available in Duo & Trio.

Exterior Finishes

- Standard colours black and white with a Perspex/Matte like finish on the fascia.

Worldwide Power

- Australia, USA, UK and German socket compatability.

Works Around You

- Above-desk and below-desk mounting brackets available as standard.
- Everything you need at your fingertips, nothing you don't.

Notes:

- Above-desk and below-desk mounting brackets available as standard. Please note VDS indicates Standard Clamp option. For Under-desk bracket option, please use VDZ.
- Please call for alternative colours & configurations.
- USB Chargers are for use with IT/AV equipment only.
- Use of cleaning agents: Please ensure cleaning agents are compatible for use on moulded polycarbonate surfaces. Should any sign of degradation, cracking or discolouration be present or occur, immediately discontinue the use of the cleaning agent.
- All Viva Power Rails are Custom Made and Lead Times Apply.
- Avoid phone cases with a metal strip when charging your phone wirelessly as the metal strip can cause damage to your phone or the wireless charging unit.
- Our wireless chargers are for mobile phones only, other accessories including airpods & watches may not be supported.
- Table Scallop for Helistand Options: Table Scallop of 40mm Minimum Required when using Helistand & Privacy Screen to allow additional space for large phones.

Inclusion of Helistand Wireless Charger

The below diagram relates to the above desk clamp version for our Viva Duo and Trio power rails that include a Helistand Wireless Charger. When installing the power rail on a desk with a panel, please ensure a table scallop of at least 40mm is taken into account to allow additional space for larger phones to charge.
